

Verified Vendor Seal Download Page

On this page you will find the official Verified Vendor Seal of US Federal Contractor Registration.

Important Notice to Registered Vendors:When posted to a website, email or other internet based application the USFCR Verified Vendor seal must be linked to the website <https://usfcr.com> to be considered valid. Use of the seal on a website, email, or other internet based application without linking to this website is not authorized.

You may use the following code by copy and pasting it into your html:

```
<a href="https://usfcr.com"></a>
```

For the large image use this code by copy and pasting it into your html:

```
<a href="https://usfcr.com"></a>
```
